It is said that Sri Dorai Royan, Asst Surgeon, Victoria Hospital is the Med. Offr. of the Central Jail. This is said to be a part time appointment with an allce of Rs. 50/- P.M. Never before, the Supdt. Med. Stores seems to be incharge of the Central Jail also (with additional allowance). Sri Narayana Rao also does not make out why he may be placed as Med. Offr Central Jail also. Clear information is not available in the matter of posting an Offr as Med. Offr in the central Jail, either in the Med. Br or Home Br. The Senr Surgeon may have to be addressed to furnish info. in the matter, if the request of Sri Narayana Rao is to be considered. It is also for consideration whether he can efficiently attend to both the works in views of the heavy responsibilities to be borne as Supdt. Med. Stores. The S.S also does not mention anything in this behalf.

21) In the above circumstances the request of Sri Narayana Rao for grant him a Def allowance of Rs 100/- PM and to post him as Med. Offr, Central Jail, with a Def allowance (of Rs 50/-) attached to it, is for consideration and orders.

22) The post of Supdt. Med. Stores has since been filled up by an Officer belonging to the Cadre of Asst.

OFFICE OF
the Superintendent,
Government Medical Stores, Bangalore,
Date d 29th March 1950.

To

The Senior Surgeon
in Mysore, Bangalore.

Sir,

2) I have the honour to state that in obedience to Government Order No.M.12708/Med.2-49-49 dated 9-2-50, I assumed charge of the post of Superintendent, Government Medical Stores on 15-3-50 and have been working since then. In this connection, I submit the following for your favourable consideration and recommendation to Government for sanction of my prayer.

3) Since very long, the post of Superintendent, Medical Stores has been held by a Senior Medical Officer of the Department and only recently it was in the charge of a Junior Medical Officer and later for a few years held by the Officers of the Revenue Department.

4) The nature of work in the Medical Stores is one of organisation and management of Receipt and supply of Medicines and other articles to the Departmental Institutions. As such, it is purely of an administrati nature and full of heavy responsibility as costly stocks are handled and heavy cash transactions undertaken. The work is entirely devoid of any scope for professional work. The hours of Office work also precludes one from any sort of practice of my profession. Thus my posting as Superintendent, Medical Stores has sustained me a heavy loss in emolluments as compared with my Collegues who are in charge of Districts as they have full scope for private practice besides rent free quarters.

5) In consideration of the increase in work and heavy responsibility involved and loss of emolluments due to absence of professional benefits, I request that I may kindly be recommended for sanction of a substantial allowance of Rs.100/- per mensem for the period I hold this post. In this connection, I may be permitted to mention that in view of the heavy responsibility, Sri H.M.Srinivasaiah who held this post was sanctioned a Duty Allowance of Rs.100/- per mensem as per Government Order No. 3850-1/C.B.297-46-1 dated 26-2-1947. The same and even heavier responsibility continues to-day in the case of this post of Superintendent of

of Medical Stores.

6) I learn that the previous Superintendents of Medical Stores were given the opportunity of keeping in touch with clinical work as Medical Officer to the Central Jail, Bangalore. I request I may kindly be given the same opportunity by the restoration of the allowance and work in this post.

7) Hoping that my prayer will receive your favourable recommendation and sanction by Government.

Yours faithfully,
